

Routes 58/378

Monday to Friday Time Schedule No 90

Dated 25 November 1991.

The front page carries typed amendments, one of which is that the 378 afternoon journey (at 1517) runs 5 minutes later throughout, and that the bus should maintain its time at 1520 at Forest Gate (Princess Alice) for the break at Upton Lane School.

Handwritten amendments to the 378 times are also included, amending the departure time from 1512 to 1517 and showing the same time (as above) to be maintained.

Presumably the interpretation here is that the bus shown at 1512 on the original schedule now leaves 5 minutes later at 1517, rather than that the 1517 now runs at 1522!

The typed amendments also show some variations during school holidays, involving the buses that run the 378 journeys in the morning and afternoon (WH167 and WH172). Other journeys by these buses are unchanged.

It is presumed that all amendments operated from the start of the schedule.
